

Village of Hay Lakes MSP

Pillar: Social Work as a community to ensure needs of all stakeholders can be met. Develop community involvement as a way of promoting a safe and healthy place to live. Low levels of crime will promote your community as a great place to raise kids or retire.

Sectors	Stakeholders Vision	Current Assessment	Directional Plans Short Term	Directional Plans Long Term
Community	We live in a unified, inclusive community where all residents can recognize their full potential.	Village has a lot of community initiatives, where many of the same people attend	Village need a plan to address a welcome wagon program.	Prepare the documentation to ensure th plans are sustainable and are measurable in effectiveness.
		Village does not have the support of the residents and the rural support seems stronger.	Use Village web to promote all services in the community	
		The Village and the School do not have programs to support adults or youth	Village needs plans for senior residence in ASP, and to ensure transportation needs are provided.	
		Seniors Club is active and can be a great resources	Village needs to host a community recognition night for all clubs or associations.	
		Library is great asset but at huge financial costs	Community events, suppers, ACOP events,	
		Seniors do not have any special transportation uses.	Board Leaders need to meet with the Village on a regular basis to assess long term plan.	
		CDSS has services but the Village and CDSS has not been communicated well	Communcation should be aligned with the current web with CDSS and the Village of Hay Lakes	

Sectors	Stakeholders Vision	Current Assessment	Directional Plans Short Term	Directional Plans Long Term
Youth	Develop Strategies to retain youth in the community	School Programs, Skate Park, Playground, Play School, Swim Program, Little Rocker Curling	After school and before school programs need to be provided.	Prepare the documentation to ensure th plans are sustainable and are measurable in effectiveness.
		Slo Pitch is not operating at the current time	Skate Park and other resources need to be communicated on the Web Page	
		Recreation Board exists but does not have support or input.	Community Slow Pitch needs to be developed to get adults and youth s out for community fun.	
		Village supports HAARB through financial support	Older teen programs through the library for continuing education.	
		Library should be used as a way of providing more resources to youth	Support and provide resources for youth who want to attend provincial events.	

Sectors	Stakeholders Vision	Current Assessment	Directional Plans Short Term	Directional Plans Long Term
